Darts Championship guidelines:

- Teams to consist of one lady and one gentleman (18 years and over).
- Dart board to be 5ft 8in to the centre and 7ft 9¾in from the oche.
- Start of the match to be decided by the throw of a single dart, the nearest the bull being the first to throw in the first leg. The other pair will throw first in the second leg. If the score is level after two legs, both teams will throw a single dart and again the nearest the bull will throw first. A double is not required to start the match.
- Play will then alternate from one team to another until the game is finished.
- A double is required to finish the match. Bust rule applies – ie, if a player should make a higher score than is required, then he/she reverts to the score at the start of that throw.
- The draw will be displayed and regularly updated on the Information Board in The Bar Marquee. Owing to the tight schedule, players are requested to arrive for their matches at least 10 minutes before the published starting times. Failure to arrive on time will result in a bye for the other team. Losing teams will be asked to score the following match.
- All rounds, Quarter and Semifinals will be three legs of 301.

- Members of the winning team and the runners-up in each group will receive medals.

Football 5-a-side

Organised by: Paul & Pauline Burgin – East Kent Centre.

Get in touch at: plp100@blueyonder.co.uk

Fancy a kickabout in our five-a-side tournament?

The priority for each competition is a league system in the early stages and a knockout competition from the quarter final stage. However, this is totally dependent on the number of teams finally entered for each competition. In view of this, a second consideration by the organiser will be a straight knockout competition. The competition organiser will decide the final competition format, on the Saturday morning of ClubFest when the final number of teams entered is known.

This tournament will be run in various age groups and each Centre may enter in each group as follows:

- Group 1** Players aged up to and including 12 years on the Friday of ClubFest.
- Group 2** Players aged between 13 and 16 years on the Friday of ClubFest.
- Group 3** Players aged between 17 and 34 years on the Friday of ClubFest.
- Group 4** Players aged over 35 years on the Friday of ClubFest.
- Group 3 and 4:** The draw for the competition will be made 30 minutes before the scheduled start time.

Football 5-a-side guidelines

- Each team is made up of a squad of seven players of any gender.
- All seven players in a squad must be within the required age limit for that squad.
- Playing up: any players that are within the 12 years and under age limit are eligible to play in a 13-16 years squad. However, an older player cannot play down.
- A player can only be in one squad.
- The competition organiser reserves the right to ask for clear identification to confirm a player's stated age. If found to be contravening the age limits for a squad, then the player will be disqualified.
- Feel free to bring your football boots, providing they have moulded studs. Under no circumstances will screw ins or blades be allowed.
- We recommend that shin pads are worn.

Important note:

No entries will be accepted by the tournament organiser after final entries close. Details of the draw for the leagues and knockout stages will be available in the Bar Marquee. The finals for all Groups will be played at the discretion of the organiser. Members of the winning team and the runners-up in each group will receive medals.

Walking Football

Organised by: Paul & Pauline Burgin – East Kent Centre.

Get in touch at: plp100@blueyonder.co.uk

Walking Football is a slower paced version of the regular football game, although it more so resembles 5-a-side football than the 11-a-side game. The game is primarily aimed at the over fifty years of age participant however we welcome all ages to come and have a go!

Walking Football guidelines:

- Please see football rules, which are the same rules for the walking football, however you must walk within this game. No jogging, sprinting, running on or off the ball by any player at any time.
- Players observed to be running off the ball but not directly influencing play or the outcome of play, or gaining an advantage through their actions may be warned of their actions by the referee during the course of play without the need to stop play. Continuation of this infringement may result in further disciplinary action.
- A player gaining an advantage of position or influence of play by a running action will be in breach of the 'no running rule' and will have a free kick awarded against that person and the team that person represents. Persistent further infringements to the 'no running' rule by that same person will have further disciplinary measures taken against them.
- What constitutes a 'run?' – If in the course of making a stride both feet are off the ground.
- One foot must remain on the ground at all times when in motion.
- Power walking is an accepted action in Walking Football.
- Minimal contact is permitted during the course of Walking Football.
- Tackling, interception, blocking by standing ground, is an accepted part of the game.
- Tackling from behind where contact is made; ankle-rapping from the sides, clumsy, ill-timed, forceful tackling is not an acceptable part of play and will be deemed as an infringement and dealt with by appropriate measures.
- Game open to teams of all ages.

How to enter a team:

If you'd like to join a team or register your interest in a sport then please either contact your local Centre or Regional/Divisional Secretary or attend the Sports Registration Meeting at the Event. Team representatives are required to confirm entries at the Sports Registration Meeting.

Petanque

Organised by: Clive Edwards – Non Centre

Get in touch at: clivehedwards@yahoo.co.uk

Get your boules at the ready, let's play Petanque!

How to play:

- The game is played with six metal Petanque boules (balls). Each player throws three boules. Some sets of boules will be available from the umpire. Boules will be thrown from a 50cm circle once the start team is decided by the toss of a coin. The boule, when thrown, should rest comfortably in the hand with the fingers and thumb as close together as possible and with the palm facing the ground.
- The first thrower throws the Cochonnet (Jack) between 6m and 10m away. He/she then throws the first boule trying to place it close to the Cochonnet. A player in the other team then tries to throw his boule nearer to the Cochonnet, or knock away the leading boule. The boule nearest the Cochonnet leads.
- Then it is up to a player in the team not leading, to throw until his team gets a leading boule and so on. When a team has no more boules the players of the other team throw theirs and try to place them as close as possible to the Cochonnet.
- When both teams have no more boules the points are counted. The winning team gets as many points as it has boules nearer the Cochonnet than the best of the losing team.
- The first team to reach 13 points is the winner of the End. In the first three rounds the winner will go on to the next round.

Petanque guidelines:

- Each Centre and Individual can enter a team of two people of any age from 14 years upwards. Additional teams may be permitted if the entry is under-subscribed.
- Boules: Own sets may be used.
- The Competition in the first three rounds is on a sudden death knockout basis. The quarterfinals/ semifinals and the final itself will be decided by best of three Ends.
- The draw for the first round will be on display in the Club Marquee from 9:00 am Sunday.
- The rules are taken from those of the British Petanque Association.
- Members of the winning team and the runners-up will each receive medals.

How to enter a team:

If you'd like to join a team or register your interest in a sport then please either contact your local Centre or Regional/Divisional Secretary or attend the Sports Registration Meeting at ClubFest. Team representatives are required to confirm entries at the Sports Registration Meeting.

Enjoy the health benefits of rambling and take a walk across some of the beautiful sights of the ClubFest event and surrounding countryside. A common misunderstanding is that rambling clubs are only for the ultra-fit.

The truth is, anybody who can walk can join our Scottish ramble – so join us in walking for pleasure in the countryside!

Ramble Guidelines:

- Dogs are welcome but must be kept on a lead.
- Decent walking footwear is advised as the walk is around 5 miles.
- Footpaths are followed where possible, however they sometimes take us through woodland or fields with cattle or horses in them.
- On registration all participants must declare any health problems that may affect their ability to finish this ramble.
- The event will have a mass start.
- Participants are responsible for their recognition and understanding of event signage and out of bounds signs must be adhered to.

How to enter:

- Registration at the time and place specified in the ClubFest Daily Programme.

Discover Weston Park from the water!

This year, we're thrilled to introduce new exciting zones, each offering all inclusive activities for the whole family. In these lovely settings on the Weston Park lake you'll have the opportunity to test your balance on a paddle board or in a kayak. The equipment will be supplied and tuition is available for those who are new to these activities. This means you'll be in good hands every step of the way.

To secure a session, make sure you sign in daily at the ClubFest Office. Activities are limited to 10 people per session. AR Kayaking staff will be on the bank and patrolling on the water to guarantee those who can't wait to get into the water stay safe.

- Availability gas cylinders for exchange and alternatives to those (i.e. user-refillable options).
